## RINGERS BEAT THE PRELATES

Interesting Cricket Game at Makiki Witnessed By Many.

(By H. M. Ayres, Press Agent.)

Who said that cricket was dead? The grand old British game is in no danger of going moribund as long as such games are played as that of yesterday between eleven representing Theo. H. Davies & Co. and Bishop & Co.

It was the first time on record that these two great business houses had opposed each other on the pitch and the degree of enthusiasm inspired was of a most satisfactory nature. So much was this so that twelve men a side had to be played in order to give everyone who wanted to play a chance. The biggest crowd of the season witnessed the game.

The game resulted in a win for the Davies eleven by the score of 82 to 57.

Simpson, 19, and D. W. Anderson, 14, were the mainstays of the Prelates with the bat.

S. Beardmore, 18; Archie Robertson, 12, and H. Bailey, 11, got into double figures for the winners.

G. Davies and Beardmore with 5 and 4 wickets to their credit, respectively, shared bowling honors for the winners.

Baird with 5 and Cockburn with 3 wickets bowled best for the losers.

It is said that the second eleven of Davies & Co. have challenged the Prelates and that H. Macdonald & Co. are organizing a cricket eleven.

Who said that cricket was dead!

Bishop & Co. went to bat first sending Simpson and Sinclair in to face the deliveries of Hatfield and Beardmore.

Hatfield, who was one of the best bowlers here a season or so ago, was a trifle uncertain in length at first, and six runs were scored off his first over. During the progress of the second over Simpson swiped one to leg which was well stopped by Paul Burns of baseball fame.

The first disaster occurred with eight runs registered, Sinclair being easily caught by Gray off Hatfield.

D. W. Anderson joined Simpson. Slow play ensued for a while, Anderson hit hard to leg and Burns made another neat pick-up.

Summer took the ball at Beardmore's end. Anderson hit him to the off for a couple. A few singles from both men sent twenty up on the board.

Simpson hit Summer to leg for four and Anderson hit the bowler's next delivery for three, sending 30 up.

George Davies relieved Hatfield. Simpson was dropped at midway by Wodehouse who had to run to reach the ball.

Beardmore went on again at Summer's end. He caught and bowled Simpson, the catch being a very smart, one-handed affair. Score, 34-19.

Baird came in and promptly hit Beardmore to leg for four making the total 40.

Anderson fell a prey to Archie Robertson off Davies when he had compiled 14. It was a high catch and Archie rose to the occasion nobly, Macdonald came in.

Misfortunes to the Prelates came again, Baird being taken by Wodehouse off Davies, the score reading 44-49.

Cockburn partnered Macdonald. Cockburn hit Beardmore for a single but was run out while attempting to secure an extra run on an overthrow.

Jamieson succeeded Cockburn. Macdonald was well bowled by Davies. Score, 45-60.

Cantley came in and went out pronto by the "hit wicket" route.

Waterhouse followed and broke his duck the first ball he received. He was shortly afterward caught by Burns however. Score, 50-83.

Luis was next up. He swiped at one of Davies' and doubled on Kia's bad error. The next ball he was caught by Gray off Davies, having had a short life but a merry one.

McKinnon next. What ho, dainty, tripping feet!

Hatfield changed ends with Beardmore. McKinnon made a few nice golf strokes but fozzled every time. Hoot mon!

Jamieson hit Beardmore to leg for three. Loud cheers.

McKinnon died to Gray off Beardmore.

Judge Stanley brought up the tail end. Erin go brag! First ball saw him pop up an easy one to Bailey off Beardmore. Score, 57-110. Auw! Amen!

Ross and Lieutenant Sumner, Co. A.

N. G. H. opened the ball for Bishop & Co., to the bowling of Simpson and Baird. Sumner was neatly missed by McKinnon.

Donald Ross was caught by Cantley off Baird when three runs had been scored. Mr. Cantley was unaware that he had the ball till he heard the crowd cheering.

Wodehouse came in and opened his score with a couple off Baird. He then hit Simpson to the boundary for four. His next strike resulted in his being caught by Baird off Simpson, the ball being one which he should have let alone. Score, 2-10-7.

George Davies succeeded Wodehouse. Sumner, who played cricket in Boston, hit Simpson for a beefy four.

With 20 registered Davies was neatly caught at point by Cockburn off Jamieson.

Sumner was disposed of immediately after, being caught by Waterhouse off Baird.

Burns and Beardmore started with a clean sheet each.

Beardmore hit Baird out into the street for four. Burns did the same thing to Jamieson, sending 30 up on the board.

Burns swiped wildly at a short, slow ball of Sinclair's which disturbed his stumps. Score: 32-5-6.

Archie Robertson followed Sing Loy, the merry baseballer.

Archie scored one off Jamieson. Wild applause from the ladies.

Beardmore hit Jamieson for a couple, sending 40 up.

Cockburn took the ball from Sinclair. Beardmore, who had got set, hit him to the boundary for four. Robertson contented himself with playing his usual careful game.

Archie hit Jamieson for four sending 50 up. Baird took the ball from Jamieson at the upper end. Beardmore hit Baird for three.

Robertson singled, tying the score. A little later on he scored the winning run, hitting Baird to the boundary for four. Then Cockburn took his middle stump, his total being twelve. The score board read 62-6-12.

Bailey was next. Beardmore was bowled by Baird when he had made eighteen.

Gray succeeded Beardmore. He was middle-stumped by Cockburn when he had made one run. Score: 63-8-1.

Hatfield was next. Bailey hit Baird for two.

With seventy-three up Hatfield was caught by Macdonald off Baird, having five runs to his credit.

Jack Kia came in and was caught beautifully by Sinclair, a fine one-handed effort made on the dead run.

Cullen was twelfth man. Bailey put Cockburn away nicely for four. Runs kept on coming.

Cockburn put his on the innings by splendidly catching Bailey off his own ball. Bailey made eleven. The innings closed for eighty-two.

## WHITE KNIGHTS VERY NEARLY WIN

Oahu and Cavalry Polo Teams Score Three Goals--F. u's 'Win Game.

Oahu--3 goals, 2 fouls, 4 points.

Fifth Cavalry--3 goals, 3 points.

By the narrow margin of two fouls, the Oahu polo team snatched a meager victory from the White Knights yesterday afternoon at Leilehua. It was one of the fastest and hardest polo games ever seen in the Territory and the marvel of the whole thing was the improvement made by the good cavalry officers.

The White Knights started out with a rush as soon as the whistle started play. Although composed of the same men that played last time, it was a very different team that opposed the visitors. Their ponies were very much fitter and very much better trained and each player was a good shot and a good dribbler.

Almost before anybody knew what had happened Quekemeier broke away followed by Sheridan. The latter took up the ball after a ride-off of Quekemeier by Dillingham and, with easy strokes carried the ball through the goal. Then did the sidelines evanesce and go up in the air. Such joy for all the military folk.

But that was not all the joy for, although Fleming scored a goal for the Oahu during that period, twice again did Sheridan romp the ball through for a score.

Three to one in favor of the White Knights at the end of the first period. It looked like a cinch but the Honolulu bunch took six long breaths and went out on the field for business. Walter Dillingham was not nearly so well-mounted as the time before but he felt that he had to do something and he did do something, likewise all the other members of the team. They played a grandly scientific game and the riding off and passing was delightful to see.

No less than six times the Oahu team threatened and the ball missed the goal only by a few inches. Once only did they score, Dillingham coming through the ruck and scoring at almost full speed. It was a magnificent play and the White Knights supporters were as loud in their cheering as the Honolulu rovers.

In the third period the White Knights gathered themselves together and made several concerted and scientific rushes. But they could not score. Forsythe had taken Barnard's place at number one and was playing a splendid game but Dr. Baldwin or John Fleming were always there for defense, while Dillingham and Major Potter worked in excellent unison for a return threaten.

That third period will go down in the annals of local polo as one of the hardest and cleverest periods ever witnessed on this island. Incidentally it was during this period that the two technical fouls were committed. Entirely unintentional and regrettable in that the good cavalymen should lose so splendidly contested a game on mis-haps.

In the fourth period Walter Dillingham scored another goal and thus won the game. This was made from a neat pass by Major Potter a fairly long run and a neat shot for goal just before Quekemeier's threatened rideoff might have spoiled the shot.

The feature of the game was the excellent judgment and riding off of Lieutenant Sheridan for the White Knights. The Oahu team was not very well mounted but deserved its victory for the way in which it bucked under apparent defeat and turned the tables on its opponents. The next time these two teams meet it will be worth traveling a very long way to see.

The race for the Macfarlane cup for small yachts will start from the Myrtle boat house at 11 o'clock this morning.

The course will be from the starting point to a stake boat off the Moana hotel, this to be left to starboard. Thence to the outer buoy off Pearl Harbor entrance, this to be left to starboard. Thence to the bell buoy off Honolulu harbor, this to be left to port. Thence to the starting line finishing in the opposite direction to the start. The handicaps are--Maggie, scratch; Princess, 10 mins.; Dagmar, 10 mins.; Malolo and Chin, 25 mins. each. Time limit, 6 hours. Distance of course, 25 knots. Two gun start. First gun at 10:55, starting gun at 11:00.
